

# The Vision of the Three Armies

“ARMOR FLASHING LIKE LIGHTNING; THE TREAD OF THEIR FEET LIKE ROLLING THUNDER.”

First Army – The Vanguard

“FIERCE RESOLUTION, YET PROFOUND PEACE.”

Not a single one feared the battle.

Unprecedented discipline, yet just one big family.

DETERMINED AND PURPOSEFUL, BUT  
DISTRACTED BY AMBITION AND RANK.

Not a single one feared the battle.

Tattered uniforms, bloody and wounded.  
Drifting from banner to banner.

Generals flaunting dummy weapons, while the ranks  
desperation for someone real to follow.

**Selfishness destroys. The world must know if we are a blessing or a curse.**

A pain of compassion for the earth  
and anger at the selfishness in the army.

The carnal nature must be cut away.  
Raise up those with the wisdom of Zipporah!

I will no longer tolerate the carnality of My people.

I am sending shepherds after My own heart.  
Faithful laborers called to be kings.”

I am coming to be the Captain of the Host!

The strength of the army that marches is determined by the quality of its camp.

When My army follows Me, it will win every battle.
