

The White Throne: A Journey of Unveiling

The Glorious Trap of Comfort

I knew that I could stay here for eternity and never get bored. Then the eagle who was standing next to me exhorted, 'You must go on! There is no greater **peace** and **safety** than to **abide in the Lord's** salvation. You were brought here to know this because you will need this faith for where you are now going. But you must not stay here any longer.'

Scars Lined with Gold

Until you have beheld and appreciated the depths of the treasures of salvation, you cannot see the glory that comes from suffering for the sake of the gospel... These scars are the glory that we will carry forever. All who carry them love God and His truth more than their own lives.

The Path of **Greatest Risk** is the Path of **Greatest Reward**

THE JUDGMENT SEAT OF CHRIST

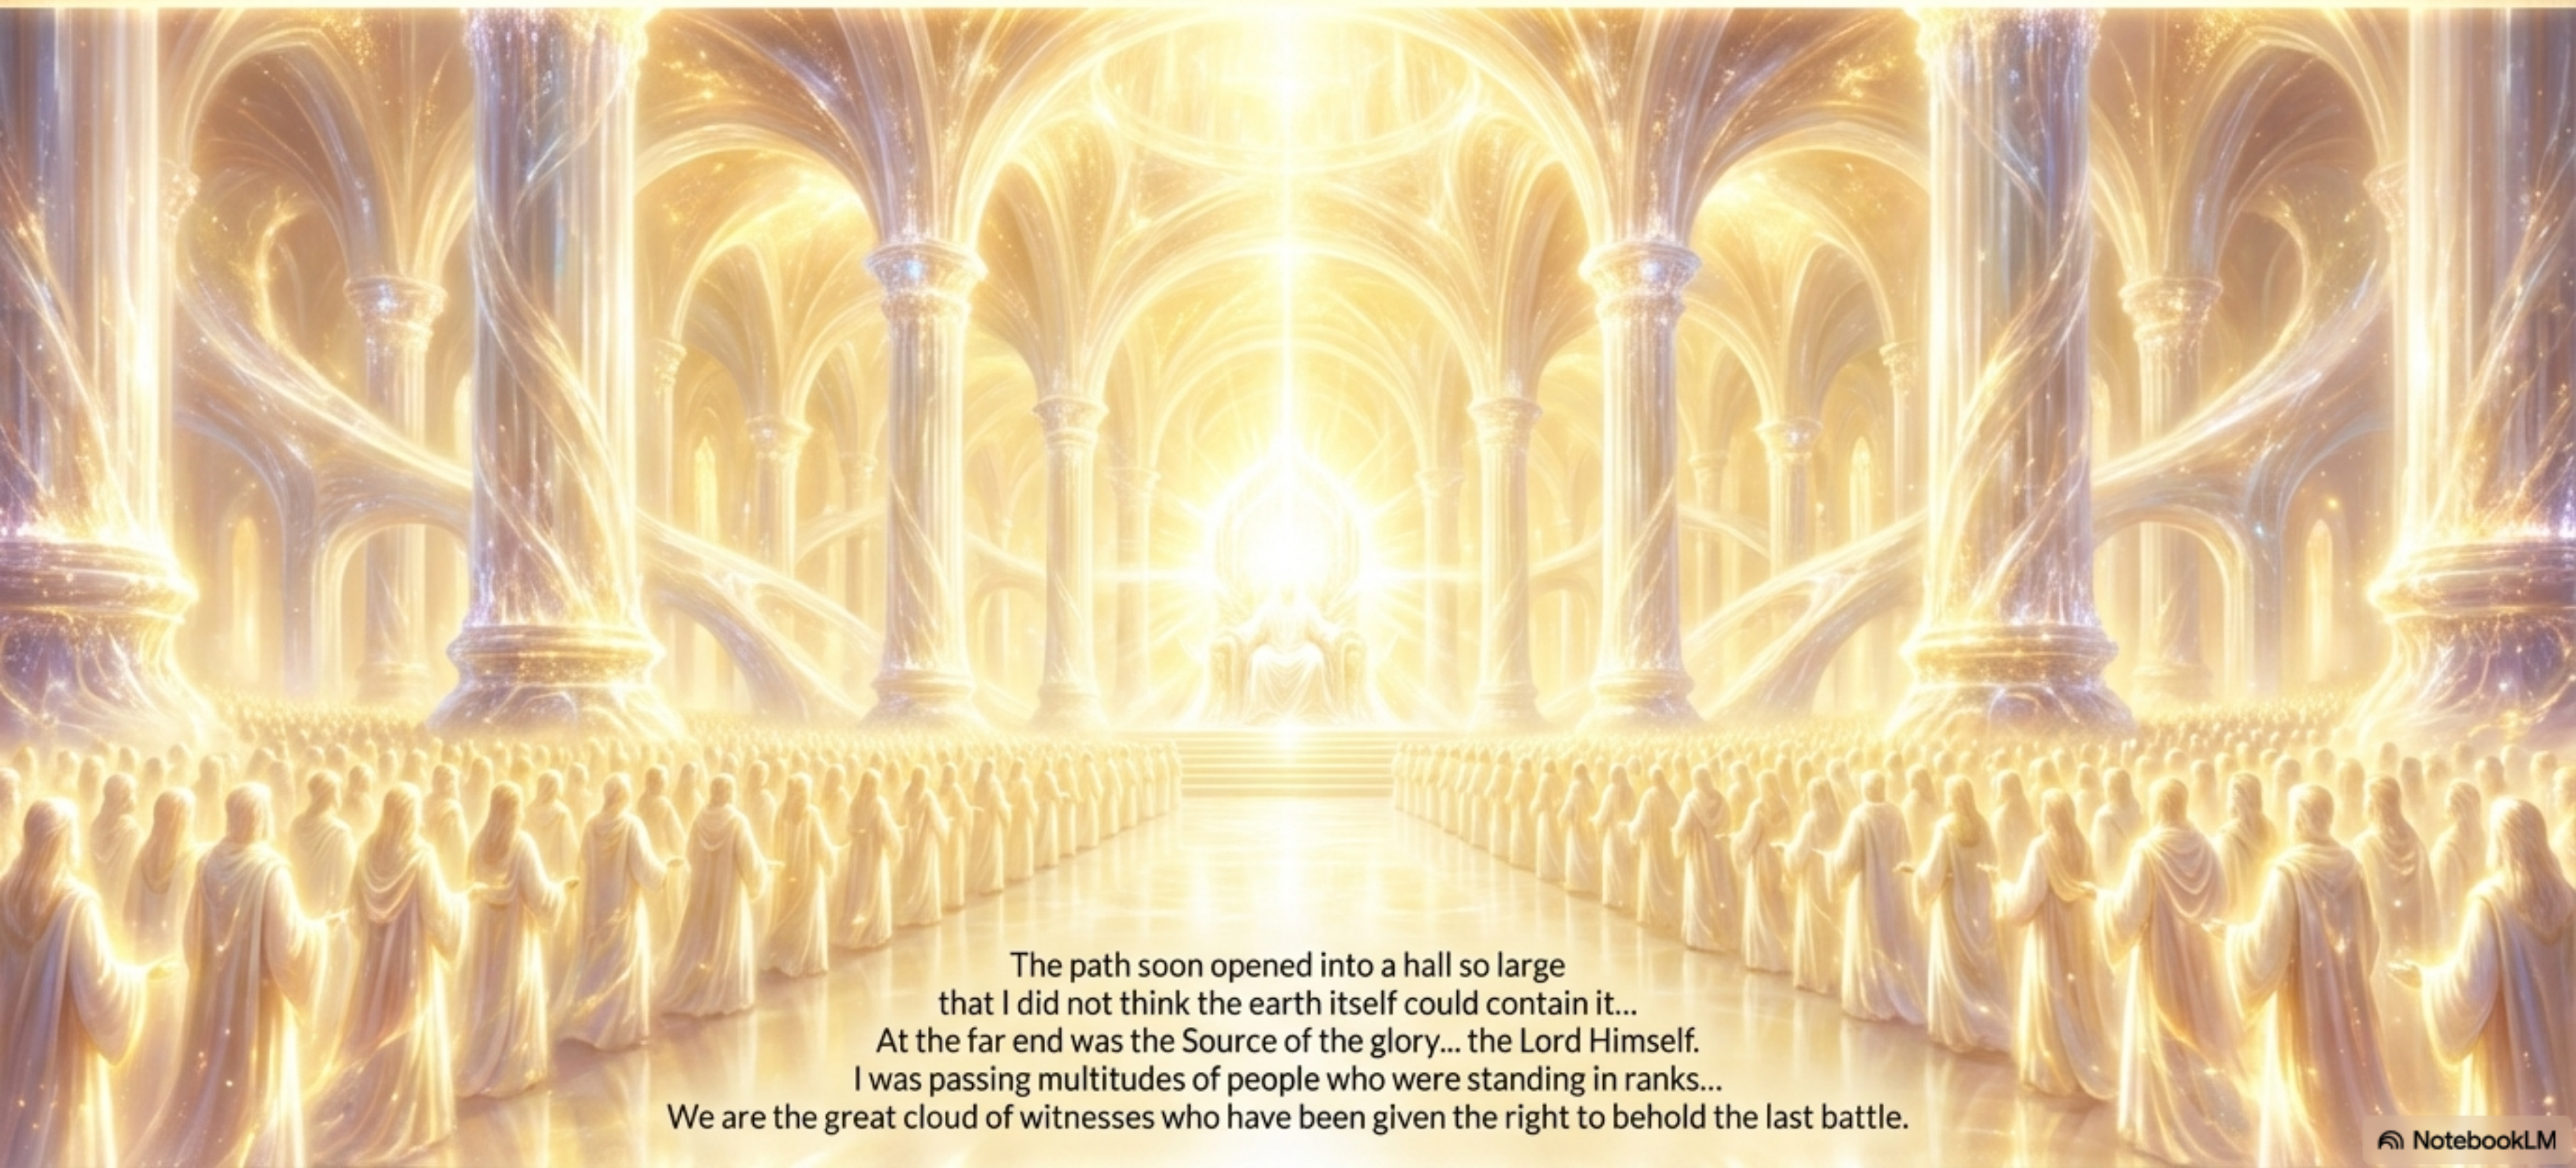

Just as warmth and peace had flooded my soul each time I looked at the great treasures of salvation, fear and insecurity gripped me when I looked at this door... The knowledge of good and evil makes the true true knowledge of God seem fearsome, when in fact **every truth** from God leads to an even greater peace and security.

Where You Are **Going Now**, You Must Go **Alone**

I immediately was in the most **frightening darkness** I had ever experienced... I resolved to go on, fixing my mind on **Him** [on the cross]. As I did, **peace began to grow** in my heart with each step, and it became easier.

Heaven is Much Greater Than We Could Have Dreamed

The path soon opened into a hall so large
that I did not think the earth itself could contain it...
At the far end was the Source of the glory... the Lord Himself.
I was passing multitudes of people who were standing in ranks...
We are the great cloud of witnesses who have been given the right to behold the last battle.

The **Lowest Rank** of Heaven in Cormorant Garamond

This great multitude are those whom the Lord called '**foolish virgins**.' We knew the Lord and trusted in His cross for salvation, but we lived for ourselves...

The grief that we experienced when we understood how we had so **wasted our lives** was beyond any grief possible on earth...

There is no greater folly than to know the **great salvation of God**, but to then go on living for yourself.

The Failure of Flawed Fathers

I was offended because of my **insecurity**, which made me want to control everyone around me...

I esteemed my ministry more than I did the people for whom it was given to me, so I drove you and many others like you away...

It is always the greater who must lay down his life for the lesser.

An Enemy of the Gospel

“I stripped those who followed me of their own callings and even their personalities... I molded them into my own image instead of His. In the end I was not even serving the Lord, but rather the idol I had built to myself. By the end of my life I was actually an enemy of the true gospel.”

The Cormorant Garamond: The Purity of True Worship

You can never become pure by worshiping those who are more pure than yourself. You must go beyond them to find the One who has made them pure...

True love never seeks to be first or to be in control, but rather it takes the place of humble service.

The Judgment of the Stumbling Blocks

We sowed **fear and division** throughout the church, all in the name of protecting the truth... I became the worst thing that a man can become on the earth—a **stumbling block who produced other stumbling blocks**... Truth **without grace** is what the enemy brings when he comes as an 'angel of light.'

Worthy, Because He Makes You Worthy

You will prevail, and you will be trusted with My authority only when you have come to fully abide in Me... If you can keep [the mantle of humility]... when you return you will also have My likeness. Then you will be **worthy to sit with these** because I will have made you worthy.

The Heart of the Judge

I then looked back at the Lord and was astonished to see tears in His eyes...
“My own house is not full... I came to save the lost. Will you share My heart to go and save the his lost? If you drink My cup, you will love the lost the way that I love them.”

Go and Call My Captains

Go and call My captains to the last battle. Go and defend the poor and the oppressed, the widows and the orphans. This is the commission of My captains, and it is where you will find them... Go quickly, for I will come quickly. Obey Me and hasten the day of My coming.

The Great Mystery of God Will Soon Be Finished

“Now that He has stood, He will not sit again until the last battle is over...
The time has now come... We will now fight until the end.
We will fight alongside you and your brethren.”
