

A SINCERE QUESTION ON A WILDERNESS PATH

“I was concerned that you have been too candid about your own failures and weaknesses. The group needs to trust you, and I’m not sure this is helping.”

MY GOAL IS NOT TO BE NEEDED

“They will only make it by their faith in God, not me. I know there is a certain trust they must have in me... but my goal is to get them to the place where they do not need me. I want them to make it, even if I do not make it.”

TRUE LEADERSHIP IS KNOWING WHEN TO GIVE IT UP

“The leader will tire much faster... If the flock is to keep up its pace... it must regularly change leaders. If my weariness begins to slow the whole group down, I will need to let someone else take over.”

CARNAL STRENGTH ATTRACTS CARNAL PEOPLE

CARNAL LEADERSHIP

They were mainly devoted to getting people to trust in them and follow them.

SPIRITUAL LEADERSHIP

He was willing to allow his personal weaknesses to be seen.

“Carnal people respond to carnal strength and carnal leadership. I’m afraid, by the biblical definition, the church, in general, is still carnal and immature.”

THE LEADER WHO STANDS AT THE DOOR AND KNOCKS

Christ Himself demonstrated the kind of leadership Paul did when He went to the cross... If we use any other kind of leadership than what He demonstrated... we will not be leading people to Him.

THE TRUTH IS A PERSON WE MUST LOVE

The Truth is a person that we must love above all else. Only this love will keep us close to Him... We must get so close to Him that we are following Him, not just principles.

THEN A VOICE OF AUTHORITY SPOKE

“Few of those who have gained much influence... today have been through this wilderness. Few are leading their people to the mountain... The kind of leadership they are using will work for people who are selfishly just seeking blessings... but it does not lead them to the kingdom.”

THE THREEFOLD TASK OF THE COMING MINISTRY

You must confront the evil Jezebel... You must raise up many other prophets...
You must pray for the judgments of God to come upon your nations when they are needed.

WHEN JUDGMENT BECOMES MERCY

The Lord does prefer mercy over judgment... but when mercy does not work, then His judgment is mercy... Can you call for the judgment of God to come upon your nation?

AN ARMY OF MESSENGERS IS NOW BEING GATHERED

“You must prepare the whole world for the coming of the Lord and His kingdom. For this reason, there will be a great army of such messengers... They are alive now, and they are starting to find this path.”

THE EMPTINESS OF POWER VS. THE FULLNESS OF PURPOSE

I always wanted to be close to those whose decisions shaped our world...
When I achieved this, it was far from the satisfaction I expected...
Here I am energized, fulfilled. I feel a strange peace.

YOUR NATURAL DESIRES REFLECT YOUR SPIRITUAL CALLING

It is interesting that it was always your desire to be around world changers. You were able to do this in the natural, and now you're about to do it with the spiritual. I think we are going to find this to be common here."

IT ALL COMES DOWN TO WHO WE'RE FOLLOWING

The greatest leaders here will be the greatest followers of Christ. It all comes down to who we're following, the King or our own ambitions.
