

The Liberty Charter

Blessings and Honor to the Royal Court of Heaven, to the Church in America and to the Church of His Elect scattered abroad in the nations.

Two centuries and twenty nine years ago, at the dawning of this great nation, many of the principal Founding Fathers of America made a collective, covenantal pact through the binding oaths and mystical rites of Freemasonry & Illumination to effectively create a spiritual, New World Order, knowingly or unknowingly, under satanic rule and domination. To initiate it, they were inspired to abdicate the righteous plan of God by justifying and sanctioning rebellion and revolution, and thereby, spiritually submitting the government and soul of America to the powers of darkness. Lucifer, the Great Deceiver, believed he secured the fate of America as his own possession by also revealing a mystical pattern to the Founders to be used as the Great Seal, knowing that it had the ability to manifest power and dominion in the natural realm, since it was made in the likeness of the Great Seal of YHWH in heaven, with which he was once entrusted.

In return for their relinquishment of the truth, these Founders were promised by Lucifer the ideals of freedom, peace and prosperity for this nation and through Enlightenment, blindly embraced the deception that this utopian society would spread throughout the entire world for the ages to come. In their great thirst for knowledge, they were tempted into trusting in the brilliance gained from the Tree of Knowledge instead of the Tree of Life. They were promised light, but instead, were given over to a darkened understanding; and the consequences of their actions have ultimately caused the very erosion of the true spiritual freedom and abundance promised for their future. While the truths of "life, liberty and the pursuit of happiness are self-evident", they can only be maintained under an uncompromising allegiance to Jesus Christ.

As Freemasons, Deists and Illuminists, they acknowledged the providence of a Creator and worshipped him as "The Great Architect of the Universe", but they rejected the blood sacrifice of Jesus Christ as the sole redemptive instrument of

God for man, and rather, chose their own good works as the vehicle for their propitiation in the heavenly court.

We, the people of these United States of America, now fully contend for this nation, on the basis that, as believers made in the image of God, our original right to rule and have dominion in the earth was restored to us by the redemptive and covenantal act of Messiah, in the shedding of His own blood. It is that blood that we hereby apply in our appeal in the heavenly court and it is in that blood that we ask for mercy and cleansing for our sins, that we as a nation might be forgiven.

We contend that God's original intent was to birth this nation in peace, far from rebellion and revolution and that this intent can be restored.

We also contend that the counterfeit patterns used by lucifer in the Great Seal of America are the same ones he has stolen from the Court of Heaven and has blasphemously used and abused throughout millennia to falsely profess domination of the Kingdoms of Heaven and Earth.

We further contend that this not only has to do with America, but the entire world from the beginning. The list of abuses, violence and treachery is beyond our ability to convey, and is also beyond our ability to suffer any longer.

We apply the very principle quoted by Thomas Jefferson in the Declaration of Independence:

"But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security."

We share this sentiment with respect to the governmental authority that God created in the spirit realm and we can no longer tolerate the vast injustice and vicious tyrannical rule of satan in this nation or in the whole of the earth itself. His usurpations and accusations against the people of God have threatened the very existence of this country. His rebellion and corruption has spoiled the nations, and we, like the Founders, ask for new guards of righteousness for our future security.

I. He has trespassed the boundaries of all order initiated by the Ruler of the Universe and taught angels and men to rebel against YHWH.

II. He has spoiled the nations and has taken the world captive through pride, deception, lies, temptation, greed, lust, violence, poverty, adultery, idolatry, false worship, compromise, rebellion, drug and alcohol addictions, disease, revolution, perversion, whoredom, oppression, witchcraft, religion, torment, curses, plagues, famine, corruption, bribery, sexual sins, immorality, war, destruction, counterfeiting, theft, mass murder, larceny, contempt, torture, extortion, tyranny, sedition, anarchy, impersonation, treachery, defilement, abuse, hatred, falsehood, depression, divorce, discouragement, prostitution, kidnapping, imprisonment, suicide, hopelessness, disillusionment, pain and suffering.

III. He has ruthlessly attacked the covenant people of God and inspired brutal torture, imprisonment and death to millions of innocent victims and martyrs. He has inspired wars, genocide, euthanasia, assassinations and the premature death of millions of babies through abortion.

IV. He has corrupted and undermined the morality of the nations by promoting sexual promiscuity, violence, occult, greed, and vain philosophies through the mass mediums of television and the Hollywood film industry.

V. He has corrupted governments throughout the world through the lust of power and greed. He has corrupted righteous judicial systems and has forced wicked and unjust laws upon the people.

VI. He has undermined and destroyed marriage and the family, the very building blocks of society.

VII. He has falsely promised a New World Order based on peace and harmony while his plans and intentions are to rule by cruelty and death.

VIII. He has deceitfully led millions into taking oaths that have brought about crippling generational curses for thousands of years.

IX. He has robbed the nations through greed, the lust of power and earthly dominion by inspiring men to confiscate the gold and silver and create a false global banking system with unjust weights and scales.

X. He has coerced man to form unholy covenants and cults. He has lifted himself up as deity and has fostered worship for himself and other false gods. He has initiated and promoted Witchcraft, Black Magic, the Occult, Freemasonry, Soothsaying, Mediums, and Seances. He has inspired false religions and ideologies that have led millions to eternal death.

He must be held to account now and turn over to the Heavenly Court and the people of God all he has stolen with just reparations. We, like the Founding Fathers, see the bright opportunity America holds, as a land full of virtue and the ideals they believed in, yet we fully reject the allegiance to false deities, the false promises and the false claims of authority over this nation.

In repentance we ask forgiveness for their idolatry and rebellion, and by faith, plead that the redemptive blood of Christ be upon the sins of our forefathers. They were courageous men who believed they were doing what was right and we hold no malice or judgment against them.

The Constitution they conceived is fitting and yet frail. Its greatest intent can only be realized when it's interpreted and maintained by a people whose precepts and lives are based on the eternal Word of God. At its least, where the standard of interpretation is left to human judgment alone, it becomes an instrument easily corrupted and threatening to the nation's very existence, because of sin.

It is upon this decree, dated the twenty-second of July, two thousand five, in the acceptable year of our Lord, that we, as believers in Yeshua the Messiah and joint heirs of His Kingdom, issue a proclamation that Jesus Christ is the sole Lord, God and King over America and over all of the nations of the earth. We pledge our allegiance to Him and to His Kingdom and to this nation under God. In covenant, we bind ourselves in repentance and the fear of the Lord, in prayer that our proclamation can restore a righteous bearing and steer this nation away from the shallows, so she might long endure.

As of this day, we decree a new dawn for America, where Divine Order shifts the imbalance of wickedness, so that righteousness may flow into the

governmental jurisdictions of the land...where purity and innocence are restored...where patriotism and the ideals of life, liberty and the pursuit of happiness are the inheritance of righteous government by the people under God, and not merely shining words used as a mask to cover the decay of corrupt deeds done in darkness. Those that herald the ideals of patriotism and liberty falsely are not worthy to gain from the virtue or the blessing they afford.

As of this day, we issue a new edict in the name of YHWH, to proclaim a release to all held captive throughout heaven and earth by those acting in rebellion and sedition against the Throne of God and this nation, both in the heavenly realms and the governmental realms of man.

As of this day, we as citizens of this nation, affirm our dependence on God. We proclaim that this nation will never forfeit its sovereignty and boundaries to the designs of those who desire global unity based on a false promise of peace and harmony.

As of this day, we as Americans, bind ourselves and our government to stand by the State of Israel and proclaim an end to the reign of terror fostered by hell to destroy the covenant people of God.

We, as believers in Yeshua the Messiah, endeavoring to fulfill our God-given destiny on this earth, while laboring in the struggle for true spiritual freedom, find it necessary to break such spiritual bonds of oppression that have been forced upon us by those acting in rebellion against the Creator. We hold that there are greater powers and greater universal laws at work here than those established by the governments and covenants of man, and believe that it is only fitting that we cast off the tyrannical rule of the wicked in the heaventies that have subjugated us to unjust, imperial domination. This epic battle has endured for millennia and it is now, therefore, vital that we pursue a just course before the Heavenly Court and request the aid of the Divine Council to be granted favorable judgment from the Ancient of Days to complete our calling and fulfill His plans.

We, as Ambassadors of Christ and moral agents of God in the earth, do hereby bind ourselves and our eternal fortunes to this endeavor. All Glory and Honor to the King Eternal and to the Lamb, the Righteous Redeemer.
